

Certificate

SQS herewith certifies that the company named below has a management system which meets the requirements of the standards specified below.

RUAG Schweiz AG / RUAG Defence
Allmendstrasse 86
3602 Thun
Switzerland

Scope of certification

See appendix

Field of activity

Conception, development, manufacture, integration, operation and maintenance of heavy weapon systems and armoured vehicles, ballistic protection systems, mobile command and control posts, simulators and training systems as well as of information systems, command & control systems, communications and intelligence & surveillance systems; training services, logistics partner for instruction, training and active service; data analysis and evaluation systems, optics/optronics, audiovisual communications support; material testing, testing of electromagnetic compatibility (EMC), environmental engineering and calibration of measuring instruments

Normative basis

ISO 9001:2015	Quality Management System
ISO 14001:2015	Environmental Management System
OHSAS 18001:2007	Occupational Health and Safety Management System
AQAP 2110	NATO Quality Assurance Requirements for Design, Development and Production

Scope(s)
17, 18, 19, 22, 25, 33, 34, 35

Validity 07.11.2016–06.11.2019
Issue 07.11.2016

Reg. no. 35652

X. Edelmann, President SQS

R. Glauser, CEO SQS
