8052 Zürich
Switzerland

The personal data processed during the video recording may be disclosed to the following recipients that may be located abroad:

- Other RUAG Group companies
- Security and IT service providers
- Authorities, including law enforcement agencies

Data Subject Rights

Data subjects have the right to request information as to whether their personal data will be processed. In case of processing, they have the right to:

- access their personal data, subject to legal restrictions;
- request the rectification of any of their personal data, which is incorrect or incomplete;
- request the deletion of their personal data without delay (right to deletion);
- require the processing to be restricted (e.g. in case they objected to the processing for the duration of the investigation by the controller);
- object at any time to the processing of their personal data based on the particular situation.

Any data subject has the right to complain to the competent data protection authority.

Please note that these rights are subject to certain conditions and may be subject to exceptions.
